Programs under the Career Counselling and Students Support Cell, Moirabari College,Moirabari, Morigaon, Assam

Moirabari College constituted Career Guidance and Counseling Cell to guide and direct students to set their career goals and stimulate them to exercise their consistent efforts to accomplish their career objectives. The committee helps the students to explore new knowledge and inculcate recent company attitudes among them as per the requirements of the globally competitive world. The committee has been renamed as Students Support and Progression Cell. The main functions of the committee are mentioned below:

- To provide career counseling and career development sessions for the students of the College.
- To work with students on their need for career development.
- To conduct trainings, workshops, lectures, presentations and other events to develop career planning and employability skills for students.
- To develop positive working relationship with faculty, administrative and co-workers to achieve desired goals.
- To trained students on resume building, interview skills and professionalism.
- To conduct career awareness events and job fairs for students.

The programme was anchored by Dr. Mandul Islam, Convenor of Student Support and Progression Cell. After a brief felicitation programme, Dr. Samsuddin Ahmed principal of Moirabari College declared the programme open with his inaugural speech. After that Meghna Kaushik, Key Speaker of the programme delivered her valuable speech on career building. In her

Speech she discussed in detail about Career in the life of a person, how to build a successful Career, what pre-cautionary measures are to consider, how to devote and manage time while building ones Career etc. she opines that each and every individual has his or her unique talent but he or she remain ignorant about it. According to her the main aim of a student is to discover his or her field or area of interest and then try to nurture it. She also says that in order to build a successful Career one has to remain motivated all the time. The programme which was mostly interactive was enjoyed by a large number of gathering including the teachers of the college as well as the students. The Key Speaker wished all the very best of the college. Co-ordinator of IQAC of the College prof. Dalil Ahmed offered vote of thanks to all present in the meeting.
